

MARTHA GRAHAM DANCE COMPANY

JANUARY 31 – FEBRUARY 1, 2025

TPAC's Polk Theater | Running Time: To Be Determined | *Recommended for ages 12+**

"Unnervingly beautiful...Enduringly radical..." – Siobhan Burke, *The New York Times*

Called the "dancer of the century" by *Time* magazine, Martha Graham revolutionized dance with an innovative physical vocabulary. Now celebrating 100 years, the Martha Graham Dance Company honors the occasion with Graham's iconic *Appalachian Spring*, set to Aaron Copland's score, along with two premieres inspired by American folk music and the high-energy club scene.

*To ensure an enjoyable experience for everyone, we recommend that children be 12 and up. Shows are often more than two hours long and are not always ideal for younger children, however, it is up to you to decide if your child will be able to sit through a full production. Everyone, regardless of age, requires a seated ticket. There are no lap seats.
